

LAMPMASTER

Mailback Recycling Kits

Products and Services Guide

Re-Thinking Recycling

Lampmaster is a comprehensive mailback recycling service. It includes

to fit into warehouses, offices & homes nationwide.

100% EPA Compliant

Did you know that it's a federal law to have a container on site 24/7 for universal waste? We offer safety training

an advanced online management system that allows customers to streamline waste management.

Use It Anywhere

Lampmaster boxes and pails are designed

and on-site assistance for any size business. Stay compliant with Lampmaster.

> One Price

Order Online

Browse online for the package and plan that works best for you. Pay one price that covers shipping both ways.

Order
